

Central Asia, Europe and Turkey

Paris, 27-28 June 2011, Salons France-Amériques
(9-11 avenue Franklin D.Roosevelt 75008, Paris)

Meet Top Management of 11 Kazakh and Mongolian Companies

Visor Capital offers you the unique opportunity to meet with CEOs and CFOs of internationally listed Central Asian and Mongolian companies

During two days, you will have the opportunity to have one-to-one meetings, small group meetings, conferences and Q&A sessions with senior management from the players in a key resource region, as well as with Visor Capital's management, analysts and sales team.

The 12 companies that have already confirmed their presence are:

Mining	Oil&Gas	MidCap and Industrials
-South Gobi Resources -Centerra Gold -Hambleton Mining -Alhambra Resources -Mongolian Mining Corporation	-Caspian Energy -Jupiter Energy -Manas Petroleum	-Chagala Group -Steppe Cement -Kazakhtelecom

You may also book a meeting with the head of research, whom will be glad to provide you with an overview of listed assets and economics in the region.

Also, please note that this event involves other companies from Turkey, Germany and Poland.
